

To: All Newly Elected Officials

Subject: Heartfelt Congratulations on Your Election

I extend my warmest and most sincere congratulations on your recent election to your respective positions. Your victory is not only a personal achievement but also a testament to the trust and confidence that the people of Liberia have placed in you to represent their interests and lead our great nation.

As the Grand Mufti of Liberia, I am inspired by the principles of justice, compassion, and wisdom our Islamic faith teaches us. I believe that you, in your new capacity, will uphold these principles and work diligently to improve the lives of our citizens, promote peace and unity, and contribute to the progress of our nation, in the interest of both Muslims and non-Muslims.

Your election is a unique opportunity to serve your constituents and make a positive impact. I encourage you to approach your duties with humility, integrity, and a deep sense of responsibility. Remember that the choices you make will affect the well-being of many, including the ummah, and your leadership can shape a brighter future for Liberia.

May the Almighty Allah guide you, grant you wisdom in your decisions, and help you navigate the challenges that come with public service. May your tenure be marked by prosperity, unity, and the betterment of our beloved country.

To those who contested but did not ascend to these offices, you are all victors by the mere virtue of your sincere intentions to serve the nation. We pray that the Almighty Allah grant you befitting designations where you can fulfill your goals of contributing positively to public service and the progress of Liberia. On behalf of the Majilis Fatwa, once again, congratulations on your well-deserved victory. Liberia

looks forward to the positive change and progress you will bring to our nation.

With my highest regards and best wishes,

Dr. Abbas S. A. Kanneh
Grand Mufti of Liberia
